

Michael Scot Moore Scholarship 2014

The purpose of this award shall be to foster a greater interest in obtaining a college degree in mathematics education or mathematics and to especially encourage students who may need financial assistance to pursue these degrees. To apply for the scholarship students must meet the following criteria:

1. Applicant must be pursuing a mathematics education or mathematics degree
2. Applicant must have applied and been accepted to an accredited college or university

APPLICATION REQUIREMENTS

1. Submit a completed application (see next three pages)
2. Submit a current transcript with the application
3. Submit two letters of recommendation with the application

The scholarship committee shall select a recipient and an alternate from the qualified applications. A scholarship agreement will be signed following the presentation of the award during the senior honors program. The award of \$250 will be paid at the beginning of the second term of college, provided that the recipient has maintained a grade and conduct level that meets the standards set by their school as average or better.

Application requirements must be completed in **full** and returned to Mrs. Daluga-Guenther or Mrs. Meng in the guidance office by **Friday, April 18, at 3:15 PM.**

Signature of Applicant

Michael Scot Moore Scholarship Agreement

This agreement has been entered into by the Michael Scot Moore Scholarship Committee and _____.

Recipient of the scholarship

The Michael Scot Moore Scholarship will grant \$250.00 to the above named recipient as an academic scholarship to be used for the purpose of meeting a portion of the recipient's college expenses. Award will be paid at the beginning of the recipient's second college term, with proof of academic achievement in the first term that meets the standards set by the school as average or better.

In the event the recipient does not maintain his/her grades or if for any reason does not remain in school, the scholarship will be awarded to the alternate meeting the same terms.
